## **We invite to beneficial cooperation!**

Open Joint Stock Company "Tekstiltorg" is the biggest official fabric and textile product wholesale trade dealer. We offer a wide variety of linen fabrics, 100% cotton fabrics as well as products made of these fabrics. We provide textiles for homes, hotels, healthcare institutions, health resorts, cafes, restaurants and bars. A wide range of products for sleeping: blankets, pillows, mattress covers.

We also offer terry products in a variety of colors and design solutions.

All products are available in souvenir packaging or without it.

In addition, in our company you will find a wide range of sewing threads and yarn for hand knitting.

Our main advantages:

- sale of goods at the price of the manufacturing facility without wholesale and trade margins;
- all textile products of leading manufacturers of the Republic of Belarus are accessible in one place;
- convenient location, we're located in Minsk city which is the center of Europe.

We draw your attention that a retail shop "Nelli" is located on our territory. It offers a wide range of textile products and clothing from leading manufacturers of the Republic of Belarus.

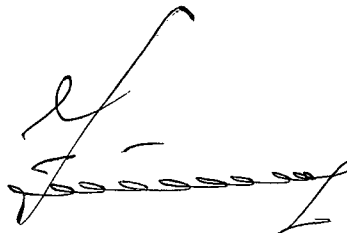

We guarantee individual approach to each client!
